

Gelita is seeking for a partner/importer/distributor to approach the Portuguese Horeca market to sell its ice coffee, frozen yoghurt and frozen rosé powder-mixes.

The company offers a complete solution: machines, mixes and marketing support.

Gelita will give preference for entrepreneurs who are able to setup their own business in Portugal with our products.

Not only the company provides the machines and the product, but also supports the entrepreneur with training, knowledge, marketing support, among others.

The same project was done in Spain, Dutch Antilles, Poland, Dubai, where, with an investment of 2 years, entrepreneurs were able to establish a good and healthy growing business with >50-75k profit per year and more (gelita.nl/media).

If interested, please contact the company directly (gelita.nl/contact).
